Let's get COOKING

St Norbert's Catholic
Primary School

February 2018

Spring 2

I hope that you enjoyed a restful break with your children. After a busy end to Term 3 it has been lovely to see all of Year 3 back and eager and enthusiastic to learn as well as excited about our new topic.

The children thoroughly enjoyed our last topic, 'Why do people holiday in France.' They embraced all aspects within the topic including tasting new foods, researching and developing their understanding of the diverse landscape and sharing their photographs and research from home too. It is great to see how the children are becoming inspired to independently develop their learning at home, thank you for your support and encouragement. This was topped off by a fantastic French themed day in school which the children enjoyed immensely. The children had the opportunity to try a range of foods from France including Pâte and various cheeses as well as making their very own French onion soup.

ICT

This term the children will have the

Topic

Our next topic, 'How do I cook' will be filled with developing the children's knowledge of food, where it comes from, how it can be prepared in different ways and the tools, materials and equipment used. The children will be engaged through the use of film such as Ratatouille and Cloudy with a Chance of Meatballs and make links across the curriculum.

opportunity to look at digital books.

RE

Our topic this Term continues with Listening and Sharing focusing on how as Christians prepare for Mass and the receiving of the Eucharist and why this so important. We will then move into our Easter topic of Giving all

PE

As was so last term; PE kit is required on a Monday and Tuesday. Please ensure your child has a complete PE kit including socks. No Jewellery should be worn and earrings removed.

Geography

The children are already very excited about our geography theme this term. We are going to visit Rand Farm Park to learn about where our food comes . Children will have the opportunity to learn about how farming has changed over the years. The children will develop their cooking skills by making flapjacks, bread and ice cream.

Dear Lord,

Help me to be less afraid to trust the voice inside — in the deepest part of me. Teach me to listen, Holy Spirit, for your voice — in busy times and in boredom, in certainty and doubt, in noise and in silence. Teach me, Lord, to listen.

Amen.
