

Sports Premium Funding

The Government has recently announced a renewed package of funding for physical education (PE) and school sport. Through a new 'Sport Premium' the Government is providing £150 million over the next two years, to support the delivery of PE and sport in primary schools. This funding will be ring fenced, and will be allocated directly to primary schools across England, providing them with a dedicated resource to purchase in invaluable expertise and support. Funding will be allocated through a lump sum for each school and a per-pupil top-up mechanism. The formula will reference the number of primary-aged pupils (i.e. children between the ages of 5 and 11). All schools with seventeen or more primary-aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil.

At St. Norbert's we believe that the Premium sports funding should help the school develop sustainable links with sports and health clubs/agencies. This is why we are looking at developing links with local sports clubs to sign post exit routes for children of all ages and abilities to access sports both in and out of school hours and to have 'taster' days for the pupils to try new sports. We are endeavouring to provide high quality continued professional development training opportunities to up skill our staff and ensure that we raise standards of teaching and learning. We are also looking to use the funding to help raise the pupil's and parent's healthy lifestyles.

PE Curriculum

A wide range of activities are delivered in school which aim to engage and inspire all children. We are also committed to ensure that all children receive high quality well-planned PE lessons and opportunities. Over the year each child will participate in games, athletics, dance and gymnastics lessons. Opportunities are also planned for swimming in Year 4 and Outdoor and Adventurous activities in Years 4 and 6. Our aim is that all children leave our school at the end of Year 6 able to swim 25 metres.

The Wider Curriculum

PE and sport has a high profile in our school and permeates many aspects of school life. We aim wherever applicable, to incorporate significant global events into our timetable such as the World Cup, The Ashes, Wimbledon and The Olympics.

During our residential visits, children are given opportunity to participate in many different activities which may include orienteering and assault courses. Other agencies are used to enhance the variety of activities available and we take full advantage when these opportunities become available. For example: Elite Sports and Premier Sports run regular dance, sport and gymnastics sessions in school. Talented children are signposted to local clubs and events to encourage them to develop their skills. School also believes it is important for the children to meet local sporting role models. Visitors have included an Olympian.

Beyond the School Day

The school is keen to provide a wide range of extra-curricular clubs for children throughout the year which are organised by our teaching staff and/or sports coaches. Children enjoy the opportunity to work with different teachers and have the chance to try many sports such as Football, Badminton, Hockey, Gymnastics, Street dance, Netball and Rounder's. We try to cater for all our children's needs and so ask the children and parents which clubs they would like to see included during the year through parent and pupil surveys; we also monitor participation and check uptake against gender and Pupil Premium. We enter a wide range of competitions including Tag Rugby, Hockey, Tennis and Athletics. We regularly celebrate the success of our sporting achievements in and outside of school through our weekly newsletter.

Commitment

St. Norbert's is committed to providing an increasing range of opportunities for children to participate in high quality sports games and PE activities.

Action Plan for Sports Grant Funding Academic Year 2017/2018

Received Sept 17 - Aug 18: £17,730 approx

Action Plan				Pupil health, well-being and Physical Fitness	Overall Target			To optimise pupil health, well-being and physical fitness	
		Current Situation/Critical Analysis				Required Changes			
		School is extremely focussed on sport and PE, aiming for outstanding provision at all levels.				Develop pupils understanding of healthy lifestyle, including mental wellbeing. Promote active lifestyles across the school			
Actions (including staff)	Key Personnel	Time Scale	Costs £	Link to SDP	Projected Success Criteria/Intended outcomes	Actual Impact	Sustainability and suggested next steps:		
To ensure pupils understand the importance of maintaining a healthy lifestyle	SB	Feb 2018	£50	Key Improvement 3: Personal development, behaviour and welfare	Pupils and families to have a firm understanding of health and fitness, through workshops. Staff and pupils are positive health role models and promote healthy living making reference to real life examples such	Pupils have taken part in healthy living week, which was a huge success. They were able to develop their understanding of maintaining a healthy diet by designing and making healthy lunch alternatives. These included a range of root and fruit salads, healthy pizzas and fruit flapjack snacks. From this pupils have been inspired to make and bring some of these	Pupils will understand how to eat a healthy balanced diet and across the school the number of healthy packed lunches will improve.		

				<p>as healthy lunches, exploring creative ways of making lunches.</p> <p>Maintain a healthy Tuck Shop, in order to provide pupils with healthy snack alternatives.</p>	<p>alternatives in their packed lunches from home.</p> <p>The school tuck shop has continued to be successful this year, providing a range of healthy snack alternatives that comply with food standards. Pupils have been able to manage and maintain a budget in order to keep up with supply and demand and records kept to ensure that the team are supplying stock that pupils require. The tuck shop is less popular in KS1 as free fruit and veg is provided for these pupils already.</p>	<p>Although the tuck shop is popular in KS2, further development in promoting and engaging KS1 will be done to ensure all pupils are supporting the tuck shop. A snack shack has already been purchased by the Friends of the school to support this further.</p>

Swimming achievement 2017/18

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	87%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No
