

Article 12: You have the right to give your opinion and for adults to listen and take it seriously.

### What is our purpose?

- Monitoring energy usage
- Encouraging recycling
- Looking after the school
- Teaching others
- Leading activities

### What does energy in This role?

- Walking around the classes and checking.
- Leading activities.

## ECCO TEAM

### What have we achieved so far?

- We complete eco checks every day to monitor energy levels.
- We recycle
- We help people who don't know where the recycling bin is
- We have our eco box that people put ideas in got our eco job.

We plan to plan a workshop to remind others why recycling is important. We need to inform classes what is recyclable and what isn't.

What would we like to do next?
