

Judaism

Y4 and Y5 have been learning about **Pesach (Passover)**!

We attended a workshop to celebrate Other Faith Week, with a focus on Judaism.

We began by thinking about Exodus Chapter 1 and 2 - The First Passover. We reflected on the importance of The First Passover and how God spared the lives of the Israelites who sacrificed a lamb so they could be free.

Did you know Passover preparations are very special? We looked at all the different items you would need to prepare for Passover.

Seder Plate
Matza
Bitter Herbs
Haggadah
Kippah

We recreated a Passover service. We took part in the service by wearing a Kippah, saying prayers in Hebrew, eating traditional foods and joining in with different parts in the service.

We tried some unleavened bread.

"It tastes like a cream cracker" Zoe Y5

What is the Haggadah?
